Outgoing President's Message Sheila Hoffman

The officers for 2007 were elected as follows:

President	Cynthia Guinn (OR)
Vice President	Jane Hodnett (TX)
Treasurer	Nancy Sowerbutts (NJ)
Recording Secretary	Sheila Hoffman (TN)
Corresponding Secretary	Rita Sacks (FL)
Board Members:	Pam Haig (TN)
	Jayme Jones (CA)
	Stephen Sipperly (NY)
	Nelle Wyatt (TN)

I served as president for 10 years and felt it was time for a change, for me personally and also for the club. I'm looking forward to continuing on the board as recording secretary and will continue to be active with the various committees with which I'm involved. I would like to devote more of my time and efforts toward judge's, breeder's and owner's education. As always, my schedule stays very busy with my dog activities since I have always enjoyed training and exhibiting them myself in multiple venues in which Pharaoh Hounds can excel (conformation, coursing, agility, obedience that I'm personally active with my own dogs). I believe this change will be healthy for the PHCA and, of course, I'll continue to support board and club activities along with Cynthia in her new role as club president. I thoroughly enjoyed my terms as president and we saw progress and change in many areas over the ten years. I want to thank all of you for your support over the years and I know we can count on your continued support of the PHCA.

You should have received your information packet for the 2007 National Specialty to be held in Perry, GA in conjunction with the North Georgia Hound Association on April 15. Any additional news will be added to the information located on the PHCA website. Huge thanks to Carmen Davis for her quick updates on the website as we've provided her the information.

All the best to each of you in 2007 and I look forward to seeing you at dogs events throughout the years.

Upcoming events:

2007 National Specialty events, Perry, GA, April 12-15. Contact Pam Haig, Sheila Hoffman or Nelle Wyatt for information. Email and phone numbers are listed on the BOD page of this issue.

2007 Western Specialty, Lompoc, CA, July 27, 2007. For information contact Sue Carter at mojavePHs@aol.com

Incoming President's Message

Cynthia Guinn

For those of you who don't know me well, I'll start by telling you a bit about myself. I have been in Pharaohs for eight years and currently have three. I have a litter planned for this spring. My husband, Bill and I have a website www.sendjipharaohs.com if you would like to learn more about our dogs.

In my other life I am the Executive Director of the Oregon Research Institute www.ori.org. I manage a nonprofit behavioral research institute with a budget of over 18 million and around 300 employees. The PHCA board elected me as your president because I have over 25 years of experience with nonprofit boards, both as a board member and as a staff to boards. I believe it was thought that my wealth of knowledge in this area would help lead our PHCA board in a positive direction.

BOARD ACTIVITIES

The board met through a conference call in late January to start off our year. We elected to send Sheila and me to the AKC parent club conference in July. I am looking forward to meeting other dog club board members and sharing ideas and insights. We reviewed our committee structures and elected members for 2007. A list of committees, their responsibilities and their membership is included in this newsletter. We are reviewing the option of adding Directors and Officers insurance to further protect our club from legal fees that could cripple our ability to continue running a national club. We ended the meeting by finalizing our plans for audits of the club's financials.

In addition to the issues we discussed at our meeting, the club is working on the following projects:

- Creating an online survey to give members the opportunity to let us know what you would like to have on our national website.
- Putting club policies and procedures into electronic format so they can be easily retrieved and sent to members as needed.
- Creating a handbook for hosting Pharaoh Hound specialties.
- Evaluating the option of adding flyball as a titled sport for our awards program.

I have a collaborative style and welcome your ideas and input. The board cannot meet your needs as a club member if we don't know what those needs are. Please don't hesitate to contact me if you have questions or ideas for the board.

I look forward to seeing you at our 2007 National in Perry, GA.

Cynthia Guinn
PHCA President

2007 PHCA COMMITTEES

Rescue

Chairman: Pam Haig

Members: Marie Henke, Laurie Laventhall and ad hoc club members as needed

Health

Chairman: Stephen Sipperly

Members: Rita Sacks, Carmen Davis, Lisa Miller DVM, Thom Haig DVM

Education:

Chairman: Rita Sacks

Members: Marilyn Smith, Sheila Hoffman, Libby Leone

Ways & Means

Chairman: Sheila Hoffman

Member: Carmen Davis

This committee is responsible for recommending items for resale in order to add proceeds for PHCA operation expenses. The committee is also responsible for the sale of these items and financial tracking of these transactions.

Awards

Chairman: Sheila Hoffman

Members: PHCA Board of Directors

This committee manages the qualifications for the PHCA Awards and administration of the annual awards.

PHCA Website:

Chairman: Carmen Davis

Members: Cynthia Guinn, Jane Hodnett

Code of Ethics:

Chairman: Rita Sacks

Members: Pam Haig, Nancy Sowerbutts

Audit "How to"

Chairman: Nancy Sowerbutts

Committee formed in 2004 to develop a how to guideline for future internal audit committees to utilize

Challenge & Perpetual

Trophy Coordinator: Stephen Sipperly

2004 board-appointed position to keep track of possession of sponsored trophies and club trophies and assist in coordination for delivery to the next specialty.

Membership:

Chairman: Nelle Wyatt

Member: Jane Hodnett

Top Ten

(inactive)

Chairman: Nancy Sowerbutts

Members: Pam Haig, Sheila Hoffman

NOTES FROM YOUR EDITOR

As we dive into the new year, there are lots of things happening. Not only do we have a new slate of officers and committee members, but also many general membership additions. We hope that the membership will continue to encourage other Pharaoh Hound owners to join the PHCA. Please remember, the club isn't only for competition people. Anyone who is owned by a Pharaoh Hound is welcome and valuable.

The 2007 National Specialty is just around the corner and hopefully many will be able to attend. There will be many fun and educational events planned and of course, the opportunity to see old friends and meet new ones is a major plus! The 2007 National committee has had fun putting together this event and we hope everyone will have a good time.

I would like to take this opportunity to ask all our members to help make the Scribe the type of publication they will enjoy. Please take the time to drop me a line telling me about the things you like, the things you don't like and the things you'd like to see more or less of. We are currently trying to develop a list of things that will be standard in each issue and your input is important to us.

A warm welcome is extended to new PHCA members: Denis Gentile, New York, Bekki Pina, Florida, Kathie Wamsley, Washington and Kevin Watson, Idaho.

New membership applications received:

Crystal Moore - Washington. Sponsors: Emily Kerridge & Carmen Davis

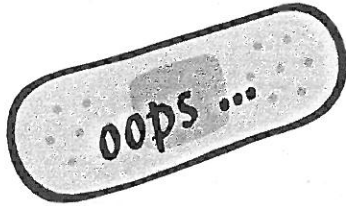

Member address correction:

National

It was brought to my attention that an error was made in the publication of the results from the first National Specialty. The picture published of Ch PhaerErin The Magician wasn't the right dog.. Below please find the "real" Merlin 😊 Sorry for the error.

*Wow I wonder who all those "young" people are in this

picture 😊

Rescue Update

I'm happy to report that things have been pretty quiet on the rescue front these past few months.

A possible Pharaoh Hound was reported in a shelter in College Station, Texas. Margaret Worth coordinated with Jason Ramsey to go see this girl and Jason reported she was likely a Pit mix.

We were alerted that there were two very elderly Pharaoh ladies in Ontario, Canada, whose owner had died and the in-laws were unable to care for them. Thankfully, these in-laws cared enough to contact rescue. It was determined that the breeder on both these girls was Rita Sacks. Rita was contacted and arrangements were made to have these dogs shipped to her in Florida. Rita reports that both arrived in fine condition and will live out the rest of their days where they started 😊 Thanks Rita and Laurie for acting so quickly to resolve this issue.

Nelle Wyatt has reported that the rescue she placed (Bruce) has been returned to her. She says Bruce is a great dog, but does have some baggage to work through and will need a home with Pharaoh Hound experience. If you know of anyone who might be interested in working with this really sweet, but very insecure young boy, please contact us.

GETTING TO KNOW YOU

A NEW MEMBER PROFILE

INTRODUCING...

BEKKI PINA ...

Florida

I am Bekki and my dog is Atreyu. We live in Florida. I am in the Air Force Reserves. Atreyu is my only child. Atreyu is my first Pharaoh Hound and I got into the breed because two years ago I had a dream that I was hunting with them.

I had never heard of the breed until then. I started researching the breed and found DesertPhoenix Pharaohs in Ohio. My breeder is Laura Hughes-Williams. She has been a great mentor and has accepted my phone calls whenever, no matter what time of day.

I picked her ultimately because I liked the look of her dogs, their temperament and their all around personalities and her mostly homeopathic approach which I highly desired.

Atreyu is going through service dog training and has assisted me with my anxiety attacks and nightmares I have had since being back from overseas.

Atreyu will be doing his first competition obedience in January 2007. We also do lure coursing and he loves it! We will also start agility in the near future.

I love meeting other people that own the breed and I get really put off by people who stop talking to me because of the "line" my dog is from. I look forward to being part of the "crazies"

If you did not receive an information packet on the 2007 National Specialty, please contact me,

HEALTH COMMITTEE UPDATES

*Written by Thom Haig DVM

New Vaccine Recommendations

I know the vaccine controversy rages on the dog boards and among our members. I am not going there. It is of interest to note that when polio was eradicated and we quit vaccinating children for polio regularly there was a subsequent outbreak in young adults years later. Now with the development of the new high titer vaccines, the experts told us we could safely quit vaccinating at 12 weeks. They were wrong and have revised their recommendations as of January 2007.

AAHA Task Force Amends Guidelines for Puppy Vaccines

Responding to a number of reports of Parvovirus in puppies vaccinated for the disease, AAHA task force members have reassessed the 2006 AAHA Canine Vaccine Guidelines released in February 2006 and amended the guidelines as follows.

Instead of recommending that Parvovirus and Distemper vaccines end at 12 weeks of age, veterinary professionals now suggest extending the series to 14 or 16 weeks of age to ensure that maternal antibodies do not interfere with the vaccines.

The revised guidelines suggest that a minimum of three doses of vaccine are given against Distemper, Adenovirus -2, and Parvovirus between six and 16 weeks of age administered at three to four week intervals.

Additionally, it is recommended that all puppies receive a booster one year after completion of the initial puppy series.

"It is theorized that high levels of maternal antibodies are interfering with complete immunization at 12 weeks of age," said Michael Paul, DVM, task force chairman. The revised protocol suggests vaccination at six weeks, 10 weeks, and again at 14 weeks or vaccination at eight weeks, 12 weeks, and again at 16 weeks.

Quoted from AAHA Newstat, Jan 2007,

Microchips and Cancer

I have heard lots of discussions relating to our continuing to microchip dogs. I have never seen a microchip related sarcoma in a dog, cat, horse or ostrich. Of course the rumor mill is more active than the facts. Below are the actual facts I could find from VIN and other sources.

Information provided by Avid Identification Systems

"I'm a little late on this discussion but need to make you aware there are some recent references to several foreign articles linking microchips and neoplasia. There are millions of American horses, dogs, cats and other animals microchipped with no problems. Dr. Macy of Colorado Veterinary School has research and opinion that, other than possible link of surface contaminant or impaled hair, microchips are not problem. Rao and Edmondson from National Institute of Environmental Sciences did a 1990 study with 70 animals and found no microchip-cancer link. JAVMA, Nov 1, 2003, pp 1316-19 has horse study with no problems noted."

For those of you that do not know or remember, Dr Macy is one of the pioneers in vaccine related fibrosarcoma research. He is also one of the leading proponents of extended use vaccines.

Here is the link to article quoting some foreign studies that noted microchips causing cancer in mice and rats used for other studies. It could be argued that these mice and rats were genetically engineered to be more susceptible to cancer and/or the microchip is relatively a much larger mass than in a dog or horse.

<http://www.freedom.org/news/200612/20/janewilliams.phtml>

Here is an abstract of the article causing the big fuss. As near as I can tell it is the ONLY report of a microchip causing cancer in a dog.

Volume 43 | Issue 4 (July 2006)

Fibrosarcoma with typical features of postinjection sarcoma at site of microchip implant in a dog: histologic and immunohistochemical study

Vet Pathol. July 2006;43(4):545-8.

M Vascellari¹, E Melchiotti, F Mutinelli

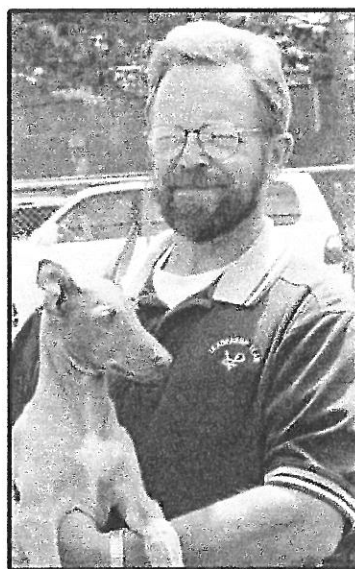

¹ Istituto Zooprofilattico Sperimentale delle Venezie, Viale dell'Università 10, 35020 Legnaro

(PD) (Italy). mvascellari@izsvenezie.it.

Abstract

A 9-year-old, male French Bulldog was examined for a subcutaneous mass located at the site of a microchip implant. Cytologic examination of the mass was suggestive of a malignant mesenchymal neoplasm. Histologically, the mass was confirmed as a high-grade infiltrative fibrosarcoma, with multifocal necrosis and peripheral lymphoid aggregates. By immunohistochemistry, the sample was investigated for vimentin, smooth-muscle actin (SMA), CD3, CD79alpha, and CD18. All the neoplastic cells were positive for vimentin. Scattered cells at the periphery of the lesion were also positive for SMA, highlighting a myofibroblastic phenotype. The lymphoid cells were positive for CD18 and CD3. No aluminum deposits were detected by the aurintricarboxylic acid method. A diagnosis of fibrosarcoma morphologically similar to feline postinjection sarcomas was made. Fibrosarcomas at the site of injections have been reported in dogs and ferrets. Furthermore, neoplastic growth at the site of microchip implant in dog and laboratory rodents has been described.

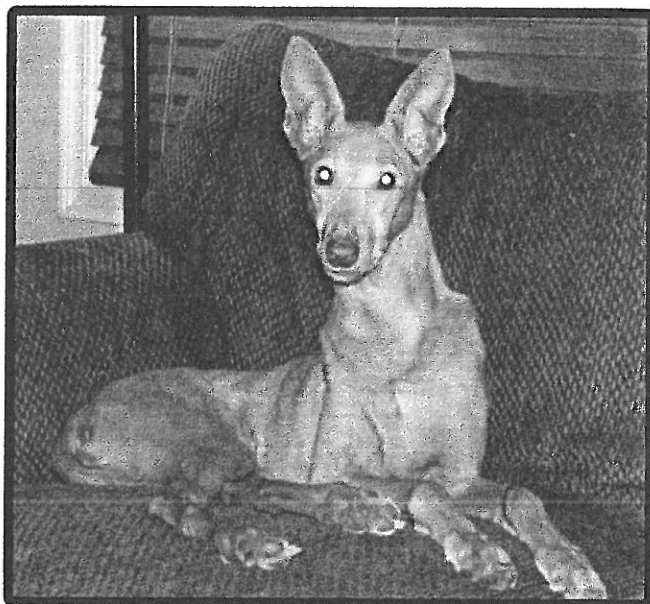

At this time my opinion (not that of the PHCA necessarily) is that the risk of losing a Pharaoh Hound from running loose, getting away at a coursing event, etc., is far greater than any danger from a microchip. I also admit to prejudice, being married to the PHCA Rescue chairman. We are seeing an increasing number of unidentified Pharaoh's in rescue. This of course makes them difficult to trace!

IN MEMORY OF

“ABBY”

Jan 15, 1993 – Feb 15, 2007

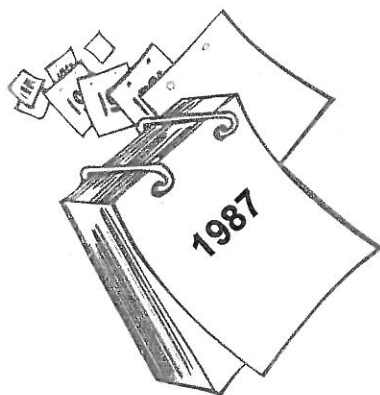

Owned and loved by Jeff and Marlene Youell

*Abby girl...you blessed our lives and home with so much love, happiness, laughter and
vitality. Your
strength and will to live was nothing short of a miracle, as you faced many challenges
throughout your
Lifetime. You beat the odds when ever they were against you...and you were living proof that
anything
was possible. Your loss leaves us with heavy hearts, tears and sadness. We'll always love
you and
miss you Abber's...*

Sleep well sweetheart.

Love mom and papa

20 YEARS AGO

IN PHARAOH HOUND HISTORY

In 1987 the PHCA Board of Directors was as follows:

President	Linda DeFeo (FL) (Sakkara)
Vice President	Norman Rhodes (TX)
Treasurer	Constance Stawasz (Northeast)
Corresponding Secretary	Rita Laventhall Sacks (NY) (Beltara)
Recording Secretary	Roberta Kolsti (Northeast)
Other Board Members:	Joyce Martin (CA) (Shema)
	Edward Rees (PA) (Val-Ed)
	Marilyn Smith (NH) (Kamaraj)
	Samuel Sacks (Rita's husband)

The big Pharaoh Hound activities for the year were clustered around the first weekend of September in New York. At this point in our history the weekend around the Westchester Kennel Club show as the PHCA annual specialty events. This weekend offered four days of shows, the PHCA B-OB Sanctioned Match, Kingston, NY, along with the PHCA meetings and annual banquet.

Back when we were newbies to AKC we still had to meet requirements by hosting the required number of sanctioned A and B matches to obtain full status so we could host PHCA sponsored events. In 1987 PHCA completed the B match requirements and was approved to conduct our first A match, which was held in September 1987.

The weekend in New York was a wonderful opportunity to meet other Pharaoh Hound owners and see old friends. This was a great experience, as the National Specialty events continue to be, but twenty years ago, Pharaoh Hounds were even fewer in number.

In 1987, 34 Pharaoh Hounds completed their AKC CH and six CD's! What's happened to our Pharaohs in the obedience ring? I do not have a complete list of ASFA FCh for the year but records show we had at least six in a report that covered part of the year. There was no AKC coursing at this time.

1987 PHCA A-OA SANCTIONED MATCH, SEPTEMBER 5, 1987

Breed Judge: Pauline Block from England

Obedience Entry: 5 in novice and one open (no qualifiers)

Conformation Entry: 9 dogs (6 present), 6 bitches (5 present)

Best Puppy in Match: Beltara's Kamaraj ITZ MJX (bitch) owned by Marilyn Smith and bred by Sacks & Laventhall.

Best Adult in Match: Glenwell's Falcon of Val-Ed owned by Deborah Kidwell and bred by owner & Val Rees.

Parade of Champions: 14

Remember some of these? Or check your multi-generation pedigrees.

Ch Beltara's Asherath (bitch)

Ch Beltara's Dark Temptation (bitch) (absent)

Ch Beltara's Hamrah Khan (dog)

Ch Beltara's Khansun (dog)

Ch Beltara's Nexis of Mennefer (bitch)

Ch Bytac's Sea Witch of Jayman (bitch)

Ch Crescent Moon's Khandia (bitch)

Ch Crescent Moon's Khartoum (dog)

Ch Sakkara's Nefersha Khabar (dog)

Ch Sakkara's Starbuck (dog)

Ch Val-Ed's and Ra's Egyptian Rose (bitch)

Ch Val-Ed's and Ra's Gypsy Rose Lee (bitch)

Ch Val-Ed's Dija Tal Red Rose CD (bitch)

Ch Val-Ed's Safa Tal Fire Bird (bitch)

Fourth AKC Supported Entry of Westchester KC, Sept 6, 1987

Breed Judge: Mr Edmund Kauffman Jr.

Entry: Total entry - 33

10 class dogs (1 in 6-9, 2 in 9-12, 1 BBE, 1 AmBred, 4 in Open, 1 absent)

8 class bitches (2 in 6-9, 2 BBE, 1 in Open, 3 absent)

14 in BOB (5 dogs, 9 bitches)

BOB: Ch Kamaraj Al-Dabaran (**dog**) owned by Marilyn Smith, bred by owner.

BOS/WB/BOW: Debo's Debutante Sakkara, owned by Michael Jon Boone and Linda DeFeo, bred by owners.

RWB: Beltara's Dark Image, owned by Carolyn Darby, bred by Rita Sacks & Laurie Laventhall.

WD: Marymack Sherni Roseherra, owned by Nancy Marble, Buff Grey, Mary McCormack, bred by Mary McCormack & Valerie Rees

RWD: Glenwell Phoenix of Val-Ed, owned by Deborah Kidwell, bred by owner & Valerie Rees.

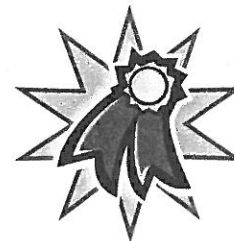

Next time we'll try to feature a few dogs from this period.

Until then

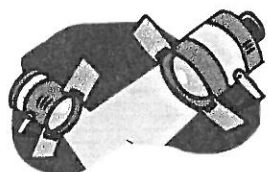

Sheila Hoffman
