# Lure Coursing and Triathlon Catalogs

This year's Lure Coursing and Triathlon catalog will provide useful information on these events and an opportunity to advertise your versatile Pharaoh Hounds! Lure coursing and triathlon entrants will receive a catalog. Others may purchase a catalog for a small fee.

Please support this catalog and lure coursing costs by placing ads to highlight your amazing Pharaohs Hounds. Even those who can't attend this year can make sure we remember your remarkable hound. Mail your check, made out to **Carmen Davis, and camera-ready artwork to 28631 NE Tolt Hill Road, Carnation WA 98014.** Please send any photos with the ad. Photos will be returned at the National. You can include a stamped self-addressed envelope for mailed return of photos. OR E-mail files to Carmen at [nahapharaohs@gmail.com](mailto:nahapharaohs@gmail.com). Make sure to still mail the completed order form and payment. You can send files in MS Word, MS Publisher, or PDF formats. If you choose PDF, make sure to send in high-resolution. Don't choose the format meant to be viewed on the web; that doesn't print well. The catalog will be 8-1/2 x 11 with 1-1/2 inch left margin and 1 inch for the other margins.

Need help? You can get some help with layout of a simple ad. Simply e-mail your preferred wording and photos to Carmen. Deadline for ads needing desktop publishing help is 10 days earlier than deadlines listed below.

**DEADLINE: April 8, 2015**

## PHCA 2015 National Specialty TRIATHLON COMPETITION

In celebration of the amazing versatility of our hounds, we are happy to offer a Pharaoh Hound Triathlon as part of the 2015 PHCA National Specialty. The three events are lure coursing, performance, and conformation. Triathlon competitors will enter and compete in the PHCA AKC and/or ASFA Lure Coursing Trials, one or more of the performance events (Rally, or Obedience), and a special Triathlon conformation class. Ribbons and trophies will be awarded at the PHCA Banquet.

We encourage all Pharaoh Hound owners to aspire to owning versatile hounds and experiencing the wonderful bond developed by team activities. The competition is open to spayed and neutered Pharaoh Hounds. If you have never shown in conformation, don't let that scare you away! You are welcome to ask a friend to show your dog for you at the conformation event. Or just do it yourself; the judges will know there are novice handler and to be gentle. Please, keeping to the spirit of the competition, no professional handlers!

**WE'RE THRILLED TO ANNOUNCE THAT JODI LEWIS IS CREATING AND  
DONATING ONE OF HER AMAZING QUILTS AS THE TRIATHLON TROPHY!**

- Placement ranks will be given based on scores earned on designated National Specialty Event days: Lure coursing on Thursday with the conformation match and PHCA supported obedience and rally on Friday.
- If, at the completion of all three events, there are ties for first through fourth place, lure coursing rank will be used as a tie-breaker. In the event that is a tie, ranks from performance, then conformation will be used as tie-breakers. In the performance events, to be eligible for the triathlon, dogs must be entered at the level in which they are currently competing in AKC. If you have earned a title, you must compete in the higher level and you may not enter a higher level than you are entitled.
- A dog may enter any or all of the performance and lure coursing events. If a dog is entered in multiple performance events, their highest rank from the events will be used in the Triathlon scoring.

### **Scoring:**

The triathlon will be scored with a ranking system that is designed to recognize the most well-rounded Pharaoh Hounds. Please find the complete rules on the PHCA website and on the PHCA 2015 PHCA Western Regional and National Specialty Facebook page.

### **Entry Process:**

To enter the Triathlon, you must complete regular entries for lure coursing and performance events (obedience, rally, and/or agility). Complete and return the Triathlon entry form, which will also be the entry form for the Triathlon conformation class. Triathlon entry fee is \$10 per dog - this covers the conformation class and overall Triathlon entry.
