Specialty Trophy and General Specialty Fund

Trophy sponsorship and general donations are the “lifeblood” of any successful specialty. Your generosity helps us hold these very unique events.

We have a wide variety of trophies available for sponsorship, as well as the general fund to help offset the rest of the costs.

Thanks to early support of many of our members a great majority of our trophies have been covered, we are still in need of help

We now have an online store to send monies in for trophies.

Please go to <https://www.freewebstore.org/2016-phca-national-specialty>

See Attached Sheets for trophies that are still available

Raffles and Auction!

This has become one of the highlights of the Specialty week!
During and after the Banquet we will hold our annual Awards, Raffle, Auction,
and Rescue Raffle

If you would like to donate to the raffle/auction please bring your items to the specialty or mail them to

Meredith Wille 1875 Hillsdale Ave. Ambridge Pa., 15003

Tickets will be available all week for \$1 each, or \$10 for 15 tickets
We already have many exciting items for both the raffle and auction, however
we are always looking for more!!

We are also very happy that Jodi Lewis has generously donated her time and resources in making a very special Quilt for the purpose of raising money for the PHCA rescue fund

PHCA National Specialty St. Louis, Missouri 2016 Triathlon Competition

In celebration of the amazing versatility of our hounds, we are happy to offer a Pharaoh Hound Triathlon as part of the 2016 PHCA National Specialty. Ribbons and trophies will be awarded at the Banquet the evening of September 17th.

We encourage **ALL** Pharaoh Hound owners to aspire to owning versatile hounds. The competition is open to spayed and neutered Pharaoh Hounds. If you have never shown in conformation, don't let that scare you away! You are welcome to ask a friend to show your dog for you at the conformation event. Or just do it yourself; the judges will know to be gentle! The same applies if you are an overachiever and enter more than one Pharaoh. But, please, keeping to the spirit of the competition, no professional handlers, unless they are an owner or co-owner.

- We will use scores earned on designated National Specialty Event days: Obedience, Rally, and Agility on Wednesday. Lure coursing on Thursday or Saturday. And the conformation match will be right after BOB and photos on Friday.
- If, at the completion of the conformation match, we have any ties for 1st through 4th place, the tie breakers will be the performance scores.
- In the performance events, to be eligible for the triathlon, dogs must be entered at the level in which they are currently competing in AKC or ASFA. If you have earned a title, you must compete in the higher level.
- A dog may enter any or all of the performance and lure coursing events. If a dog is entered in multiple performance events, their highest score will be used in the Triathlon scoring.

Here is how the Triathlon is scored:

LURE COURSING (Exhibitor can chose either venue, or run both and use the higher score)

Base Score – (100 points maximum)

ASFA: total score divided by four (4) when there are two judges

AKC: total score divided by two (2) when there are two judges

Bonus Points:

First in Stake - 3 points

OBEDIENCE

Base Score - For the regular classes Beginner Novice (Score will be what is awarded by the judge), Novice, Open, & Utility the Base Score is one-half (1/2) of total points earned (or 100 points maximum). For all obedience classes, a qualifying score in any exercise is used for points, even if the total score is Non-Qualifying (NQ).

Bonus Points

Utility Q- 4 points

Open Q- 3 points

Novice Q- 2 points

RALLY

For the Rally- the **Base Score** is 100 points.

Bonus Points:

Excellent Q- 4 points

Advanced Q- 3 points

Any tie on these and we would look at their time. Fastest time would get it.

Agility

Standard and JWW. Only one score will count towards the triathlon score.

If there are two dogs or more with the same score then the deciding factor would be time (yards per second).

Bonus Points:

Masters Q (Standard or JWW) - 4 points

Excellent Q (Standard or JWW) - 3 points

Open Q (Standard or JWW) - 2 points

CONFORMATION.

Base Score - Determined by judges evaluation of dog in the Triathlon class and is recorded on Conformation Score Sheet. (100 points maximum).

If a dog qualifies in more than one bonus point category in any of the events, they will only be awarded the higher bonus points. No dog will receive more than 100 points total in any single event.

Double digit bonus- Any dog competing that is over the age of 10years will receive 4 additional bonus points added to their total score (not exceeding a total of 300 points)

Pharaoh Hound Club of America National Specialty 2016

This year's Lure Coursing and Triathlon catalog will provide useful information on these events and an opportunity to advertise your versatile Pharaoh Hounds! Lure coursing and triathlon entrants will receive a catalog. Others may purchase a catalog for a small fee.

Please support this catalog by placing ads to highlight your amazing Pharaohs Hounds. Even those who can't attend this year can make sure we remember your remarkable hound. Mail your check, made out to PHCA, and camera-ready work to Meredith Wille, 1875 Hillsdale Ave. Ambridge Pa., 15003. Please send any photos with the ad. Photos will be returned at the National. You can include a stamped self-addressed envelope for mailed return of photos. OR E-mail files to Meredith at jagr@comcast.net. Make sure to still mail the completed order form and payment. You can send files in MS Word, MS Publisher, or PDF formats. If you choose PDF, make sure to send in high-resolution. Don't choose the format meant to be viewed on the web; that doesn't print well.

The catalog will be 8-1/2 x 11 with 1-1/2 inch left margin and 1 inch for the other margins.

Need help? You can get some help with layout of a simple ad. Simply e-mail or preferred wording and photos to Meredith. Deadline for ads needing desktop publishing help is 10 days earlier than deadlines listed below.

DEADLINE: August 26, 2016.
